

BUSSELTON CROQUET CLUB

Prospective Members Information

Becoming a Member

The club is always pleased to welcome new members.

Anyone who turns up on a club day will find one of our qualified coaches keen to give them an introductory session. Just wear flat soled shoes please. Club mallets can be borrowed. Green fees of \$8 are payable. You are welcome to play for 6 weeks without becoming a member.

If you wish to continue playing, you will need to join the club.

This requires you to fill in a membership application form with a member nomination. Please wait for advice of committee approval and invoice before using direct deposit to pay required fee.

Fees are \$200 per annum pro rata (July 1st to June 30th).

Green Fees are \$8.00 each day but capped at \$16.00 per week regardless of how many times you play per week.

Mallets. There is no need to rush and purchase a new mallet. The club has many different mallets to try for up to 6 months. There is information on the club noticeboard about different models and prices.

When you are ready, fill in the **Membership Application Form** available in the clubroom. Give the completed form to our Treasurer via her mailbox, also in the clubroom.
